

The Institute Of Credit Administration

(Nigeria's national body for credit management)

FOR THE INCOMING CREDIT PROFESSIONALS

To All PSCFM Students,

As you commence your study programmes with the Postgraduate School of Credit & Financial Management, particularly preparing for the first and second semester examinations, the Institute of Credit Administration (ICA) hereby expresses her best wishes.

This is important in view of the Institute's programme collaboration with the Postgraduate School of Credit & Financial Management (PSCFM). Upon successful completion of your studies with PSCFM at PGD level, it is taken that you have as well completed ICA's part two and three professional membership qualifying examinations, subject to transfer of your credits to the Institute's Part II and III examination result sheets. This process ended with you applying to be inducted as ASSOCIATE member of the ICA which accords you a designation letter of AICA after your name, subject to payment of prescribed fees.

However, for all these to happen, you must have formally registered as student member of the Institute by buying and completing the necessary ICA membership application form, with ₦5,000.00 (five thousand naira only). If you have not done this already, you are encouraged to do so now. ICA student member registration form is available, at PSCFM office or call: 0703-3814790, 0807-8238738.

Signed:

Membership Department.
