Credit and Financial Management School Partners

Nigerian Undergraduate Admission

The Postgraduate School of Credit and Financial Management (PSCFM), Nigeria
www.postgraduatecreditschool.org

In Affiliation with the prestigious

London Postgraduate Credit Management College (LPCMC), UK

www.lpcredit.co.uk

Now offers a 16 months professional qualification programme to undergraduate students in Nigeria for admission to Specialized Advanced Diploma in Credit and Financial Control.

Programme Objective

To assist the parents achieve quality education and lucrative career for their wards to become future skilled and knowledgeable professionals for the nation who will manage its credit and financial systems productively, ethically and for the peace of mind of everyone, under the leadership of the nation's "Mr. Credit", Dr. Chris Onalo, *FICA, ICCF*.

**Are you yet to gain University Admission?
Is it Because you have not made your 5 Credits,
or Were not given your choice subject ?
And parents, are you still keeping your ward at home doing nothing?**

Are You Continuing to Wait?

May/June results of WAEC and NECO examinations were recently released; out of 1,184,907 candidates that sat for this year's NECO examination, only 126,500 satisfied the statutory five credits. WAEC recorded 1,373,009 candidates with only 356,981 successful in obtaining credits in five subjects. Nigerian Universities may not be able to admit more than 12% of those who made their 5 credits. Are you continuing to wait?

OUR GOAL IS TO PREPARE YOU FOR EMPLOYMENT IN NIGERIA AND ELSEWHERE

Career Opportunity

At the end of the programme, student would have attained the prescribed knowledge and skill required at entry level for credit and financial analysts by employers of labour. You can be employed as trainee credit analyst, credit or loan administration assistant in credit department of commercial banks, microfinance banks, finance houses, insurance firms, manufacturing companies and many other business organizations that grant trade credit to their customers as well as working in international specialist organizations for credit management.

Going Forward:

Upon successful completion of the 16 months Specialized Advanced Diploma programme certified by PSCFM and LPCMC, student can immediately proceed to undertake a Specialized Postgraduate Diploma qualification in credit and financial control for another 12 months. At the end of which the London Postgraduate Credit Management College, UK will look for and transfer the student's learning records to an affiliate University in UK or USA for the award of B.Sc or B.A in credit and financial control, subject to payment of appropriate fees. This way, an undergraduate student taking PSCFM/LPCMC programmes can obtain a recognised university degree in a record time and render NYSC Service.

Programme Collaboration with The Institute of Credit Administration(www.icanigeria.com):

Once a student has successfully completed the Specialized Advanced Diploma, as well as Specialized Postgraduate Diploma in credit and financial control, it is taken under the PSCFM partnership with The Institute of Credit Administration (ICA) that he or she has passed parts one, two and three of the institute's professional membership qualifying examination, thus the student becomes "Associate Member" of the ICA subject to payment of prescribed fees.

Admission Requirement:

Candidate is required to have passes or credits in four (4) or five (5) subjects in GCE Ordinary Level, NECO or WAEC including English Language, Mathematics or Accounts. Also, candidate with diploma in business studies, Foundation and Intermediate levels of professional certificates or RSA stage I & II will be considered. Matured candidate with three (3) credits and work experience will be considered.

Our Class, Standards and Structures:

Our class, our students, our courses and our lecturers are structured within international university standards. In order to keep an edge over other local entry level programmes for undergraduates in this field, there will be a select local and foreign university lecturers on their personal ground who will be coming at their sabbatical leaves as well as credit management icons to lecture PSCFM/LPCMC undergraduate learners in our Lagos, Abuja and Port-Harcourt study centers.

Programme Delivery Method:

There will be weekend classes (Saturdays and Sundays). Student will also receive study pack of eight courses each for a comprehensive study engagement. Learner will be required to attend to coursework assignments captured at the end of each course in the study pack. Tutor's comment shall be established on each assignment submitted.
